THE UNITED STATES OF AMERICA

To all to whom these presents shall come. Greeting:

Then, third course, north forty-one degrees twenty-six minutes east three hundred eleven and sixty hundredths feet to a point from which discovery cut bears south sixty-four degrees fifteen minutes east three hundred forty feet distant; three hundred forty-two and seventy-six hundredths feet intersect the northeast side line of said San Francisco lode claim at north forty-four degrees fifty minutes west two hundred two and thirty-four hundredths feet from said northeast corner; six hundred twenty-three and two tenths feet to corner No. 4, a cedar post six inches in diameter, five and one-half feet long, marked M-4-3405, with mound of stone;

81/633

Thence, fourth course, south sixty-four degrees fifteen minutes east one hundred forty-five and twenty-eight hundredths feet intersect line 1-2 of said Greely lode claim at north forty-five degrees thirty-three minutes thirty seconds east sixteen and sixty-eight hundredths feet from corner No. 2; one thousand five hundred feet to corner No. 1, the place of beginning; the survey of the lode claim as above described, extending one thousand five hundred feet in length along said Mitchell vein or lode;

Beginning for the description of the Mitchell Fraction lode claim, at corner No. 1, in flotation tailings pond from the Douglas Mill and not established, from which said section corner bears south eighty-one degrees thirty-seven minutes forty seconds east, one thousand three hundred four and seventy-two hundredths feet distant;

Thence, first course, south forty-five degrees sixteen minutes west two hundred thirty and forty-eight hundredths feet intersect line 2-3 and 4-3 of said Grant and St. Joe Fraction lode claims; at south thirty-eight degrees thirty-two minutes east, forty-eight and sixty hundredths feet from corners Nos. 2 and 4 respectively; two hundred forty-six and fifty-seven hundredths feet intersect line 2-3 of said Mitchell lode claim; three hundred feet to a point from which discovery bears north sixty-four degrees fifteen minutes west four hundred seventy-eight feet distant; four hundred twenty and fifty-four hundredths feet intersect line 2-3 of said St. Joe Fraction lode claim; also line 5-1 of the Marmion lode claim, Survey No. 2319, at south seventy degrees forty-eight minutes thirty seconds east, nine hundred sixty-six and thirty-one hundredths feet from corners Nos. 2 and 1 respectively; and from corner No. 2 of said St. Joe Fraction lode claim, corner No. 1 bears north thirty-eight degrees twenty-nine minutes west ten feet distant; and from corner No. 1, corner No. 4 bears south eighty-one degrees twenty-seven minutes thirty-seven seconds east one thousand thirty-five and four hundredths feet distant; six hundred feet to corner No. 2, a cedar post nine inches in diameter, six feet long, marked M-FR-2-3405, with mound of stone;

Thence, second course, north sixty-four degrees fifteen minutes west eight hundred eighty-nine and thirty-one hundredths feet intersect line 3-4 of the Travers lode claim, Survey No. 3178, at south twenty-three degrees twenty minutes west fifty-nine and twenty-three hundredths feet from corner No. 3; eight hundred ninety-six and seventy-one hundredths feet intersect line 1-2 of said Marmion lode claim at south twenty-two degrees thirty-one minutes west, fifty-eight and eighty-seven hundredths feet from corner No. 1; one thousand four hundred feet to corner No. 3, a cedar post seven inches in diameter, six feet long, marked M-FR-3-3405, with mound of stone;

Thence, third course, north forty-five degrees sixteen minutes east two and seventy-three hundredths feet intersect line 2-3 of said Travers lode claim at north seventy degrees thirty-seven minutes west five hundred ten and forty-three hundredths feet from corner No. 3; seventy-seven and forty-three hundredths feet intersect the southwest side line of said San Francisco lode claim at north forty-four degrees fifty minutes west, one hundred twenty-six and seventy-four hundredths feet from the southeast corner; six hundred feet to corner No. 4, a cedar post eight inches in diameter, five and one-half feet long, marked M-FR-4-3405, with mound of stone;

Thence, fourth course, south sixty-four degrees fifteen minutes east one hundred thirty-four and fifty-six hundredths feet intersect the southeast end line of said San Francisco lode claim at north forty-five degrees sixteen minutes thirty seconds east five hundred sixty-seven and thirty hundredths feet from said southeast corner; one thousand two hundred eighty-one and thirty-six hundredths feet to witness corner to corner No. 1, marked WC-M-FR-1-3405, with mound of stone; one thousand three hundred sixty-two and sixty-seven hundredths feet intersect line 1-2 of said Grant lode claim at north forty-eight degrees forty-eight minutes east two hundred thirteen and eighteen hundredths feet from corner No. 2; one thousand four hundred feet to corner No. 1, the place of beginning; the survey of the lode claim, as above described, extending one thousand four hundred feet in length along said Mitchell Fraction vein or lode; expressly excepting and excluding from these presents all that portion of the ground hereinbefore described, embraced in said mining claims or Surveys No. 3178; said Grant, Greely, St. Joe Fraction and Marmion lode claims, Survey No. 2319 and said San Francisco lode claim, unsurveyed, and also all veins, lodes, and ledges, throughout their entire depth, the tops or apexes of which lie inside of such excluded ground; the premises herein granted, containing twenty-one acres and nine hundred eighty-one thousandths of an acre;

NOW KNOW YE, That there is therefore, pursuant to the laws aforesaid, hereby granted by the United States unto the said Douglas Mining Company, Limited, the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said veins, lodes, or ledges, and of all other veins, lodes, and ledges throughout their entire depth, the tops or apexes of which lie inside of the surface boundary lines of said granted premises in said survey extended downward vertically, although such veins, lodes, or ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises: Provided, That the right of possession to such outside parts of said veins, lodes, or ledges shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said survey so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes, or ledges: And provided further, That nothing herein contained shall authorize the grantee herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities, and appurtenances of whatsoever nature thereunto belonging, unto the said grantee above named and to its successors and assigns forever; subject, nevertheless, to the above-mentioned and to the following conditions and stipulations:

FIRST, That the premises hereby granted shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local laws, customs, and decisions of the courts. And there is reserved from the lands hereby granted a right of way thereon for ditches or canals constructed by the authority of the United States.

SECOND, That in the absence of necessary legislation by Congress, the Legislature of Idaho may provide rules for working the mining claim or premises hereby granted, involving easements, drainage, and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I, Harry S. Truman, President of the United States of America, have caused these letters to be made Patent, and the Seal of the Bureau of Land Management to be hereunto affixed.

GIVEN under my hand, at the City of Washington, the ELEVENTH day of MAY in the year of our Lord one thousand nine hundred and FORTY-EIGHT and of the Independence of the United States the one hundred and SEVENTY-SECOND

(SIAL)

By the President: Harry S. Truman
